

Private Property Waiver

This form authorizes Canby Disposal to travel on private property to service the container(s) / box(es) at this property.

By signing this, the signer agrees to not hold Canby Disposal responsible for any damages done to any private property or property which is not publicly maintained.

Our trucks are large, heavy and tall. The risks of damage are, but are not limited to, ruts in the driveway and/or landscaping, cracked or sunken asphalt or concrete, broken limbs/trees and bushes, underground plumbing and sprinklers. The undersigned understands that not all paved or non-paved roads are designed to support the weight of a truck and/or load and understands that the truck may cause damage.

By signing, the customer understands that they will be responsible for the maintenance of the road/drive as usual. By signing below, I understand these terms and agree to hold Canby Disposal harmless for the damages.

Loading Container:

1. All Materials must be loaded evenly, AT OR BELOW TOP of container with no overhanging items. Lids must close.
2. No concrete, sod, dirt, rocks, bricks, composition roofing or heavy metal objects.
3. No hazardous materials or liquid waste accepted, including paint, solvents and medical waste.
4. Tires, refrigerators, air conditioners, freezers, electronic components cannot go in container. Please set beside container and call for special pick up, extra charges will apply.

Site Considerations:

1. Containers must be placed on level, smooth, hard surfaces with clear access for truck to pull straight in.
2. Containers must be located away from overhead power and other lines.
3. Place wood under container wheels and stands if risk of damage to surface.
